

## Dajare: Comic Japanese wordplay or how to have fun with JaPunese

This book shows you how to make Japanese people laugh! Educational, interesting, fun! Are you interested in Japanese culture and language? Are you studying Japanese or have a lot of contact with people from Japan? Then this book is just what you've been looking for! Dajare - Comic Japanese wordplay or how to be funny in JaPunese introduces you to the world of Japanese humor. Find out why it makes a Japanese person smile when you put a tangerine on an aluminum can, or why baking bread can be a disastrous hobby in Japan. Would you have guessed that a good old little Johnny joke is more likely to provoke a skeptical frown from a Japanese person rather than a giggle? Take a look at the most traditional form of Japanese humor to understand what it is that makes Japanese people laugh, and what does not. Especially for people who are planning a longer stay in Japan, this book offers an interesting insight into an often neglected, but important part of Japanese culture. Learn more about Japanese humor and have fun with a great selection of Japanese wordplay jokes - even without much knowledge of Japanese! This book gives you: A brief introduction to Japanese humor A large collection of Japanese wordplay jokes - written in Japanese characters with a complete transcription and translation into English Interesting background information on the Japanese language - including explanations and vocabulary lists A unique gift for people interested in Japan and students of the Japanese language The opportunity to impress your Japanese friends or colleagues with Japanese puns and trick questions
