

## Puns of Steel (Argyle Sweater)

The Argyle Sweater has sold nearly 1 million greeting cards through American Greetings, and more than 100,000 2011 calendars. With more than 1 million greeting cards sold, Scott Hilburns The Argyle Sweater dresses up the funny page with an argyle-wearing assortment of cavemen, bears, moths, and pompadour-styled humans, along with an occasional evil scientist. Boasting a readership ranging from the Washington Post and the Los Angeles Times to the Calgary Herald, The Argyle Sweater fuses Hilburns visceral talent and bold pen stroke. What results is a cerebrally astute cartoon panel that comments on popular culture, human nature, and society in a clever and spontaneous way.
