

Puns, Poetry and Prose

This book contains 40 years work of the author. If by chance these bits of rhyme and poems fill the hours of the reader with the least comfort, joy or inspiration, then this edition will have served its purpose in full measure.. There is unity in the variety of forms employed in its contexts. It sparkles with the wit of the author. It surges with the deep undertow of a philosophy of human kindness. It enriches the mind without attempt at pedantic preaching. It glows with poetic fervor and warmth. In his poems, the author conforms to the best accepted standars of poetic composition. His prose is charged with power and purpose. Somehow, the clear, sweet ozone of our West Virignia hills, by the poetic touch of Mr. Compton, breathes through his writings.

Political Puns Poetry and Prose Seldom has there been a poem so ugly yet so interesting. that also stands for everyman (Tom, Dick and Harry) and functions as a sort of metaphorical pun. **Post scripts humor: cartoons, puns, poems, and pithy prose from the** G 1 The favourable acceptance that my Puns have met with in fome private by an anonymous writer*, in a poem called Tom Pun-sibi metamorphofed, **A Collection of Poetry, Pun and Prose by K.
