

QuickBooks Fundamentals - Version 2013

The QuickBooks 2013 Fundamentals textbook from The Sleeter Group offers more than just typical software instruction. It is packed with hands-on step-by-step exercises that have students working directly in QuickBooks while they learn the accounting behind the scenes and the best practices. It provides a complete experiential learning environment with a 140-day QuickBooks software license, sample data files, and practice exercises so the students can apply what they are learning in class. QuickBooks 2013 Fundamentals contains everything a student needs to be successful using QuickBooks. This book incorporates managing revenue and expenses, bank reconciliation, payroll and more. Topics include:

- The Sales Process
- Revenue-Tracking
- Expense Management
- Bank Reconciliation
- Reports and Graphs
- Setting up and Maintaining a Company file
- Customizing QuickBooks to Meet Your Company's Needs
