R.E.V.E.L.A.T.I.O.N. represents a unique approach to humor using acrostic wordplay as an irreverent vehicle of expressing the world as we know it. It is a groundbreaking work consisting of hundreds and hundreds of diverse acrostics dealing with hundreds and hundreds of diverse aspects of life-and-beyond, all arranged in a quasi-topical manner. This book bridges the gap between the ridiculous and the sublime, expressing absurdity in its most authentic form the truth.
