

## Roads are for Traveling

Join Myrna, husband Douglas, and rascally dog Chantal as they travel around Europe in this wonderful collection of stories and journals. In the company of her informed and appreciative eye, the reader will come to know many famous European cities, including Augsburg, Venice, Florence, Budapest, Toledo, Madrid, and Amsterdam as never before. Whether braving the riotous German drunks, being persecuted by incompetent Dutch train conductors, smuggling Chantal across borders in a handbag, window-shopping in the red light district of Amsterdam, or finding somewhere for Douglas to satisfy his appetite, Myrna takes in the sights, dissects the culture and illuminates each place and person with her hilariously caustic observations.
