

Sabinos Map: Life in Chimayos Old Plaza

Sabinos Map: Life in Chimayos Old Plaza recounts and celebrates the history of the Plaza del Cerro, the only fully intact colonial plaza remaining in New Mexico. With its lively oral histories and rare historical photographs, Sabinos Map is the first in-depth look at perhaps the best known Hispanic village in the American Southwest. Sabinos Map provides a thorough cultural history of Chimayo, from prehistoric settlements to the current struggles of an isolated community in a modern and changing world. Through historical photographs, collections of documents preserved by authors family, and from the words and memories of the people who live there, Usner evokes a poignant sense of the colorful people who remember and continue to make the history of the Plaza del Cerro.
