

## Sailors Guide to the Windward Islands

Revised and updated for 2013-2014, this guide features detailed sketch charts based on the authors own surveys, and aerial photos of most anchorages. It also includes clear and concise navigational information. By far the most popular guide to the area, it covers the islands from Martinique to Grenada, with dazzling scenic photography, unsurpassed onshore information, sections on exploring, provisioning, water sports, services, restaurants and photography. Information is linked to the authors website where you can download town maps, GPS waypoints from the sketch charts, and obtain links to local weather, news and more.
