Jinsei no ayumi tsuka reta, shiroi hata (Tired, exhausted of this journey, defeated with white flag) Shikataganai: It Cant Be Helped traces one Japanese-Canadian familys experience of evacuation and internment during World War II. By recounting personal stories of racial discrimination relating to these events, Sumi Kinoshita tells the story of her parents struggle to cope while raising a family in the British Columbia interior during the war. These struggles continued during the difficult resettling period following the war, as her parents were faced with the twin realities of having their property confiscated and their livelihood disrupted. Including first-hand accounts from other members of the Morisawa family, Shikataganai: It Cant Be Helped weaves a compelling story of tragedy, of loss, of retaining a sense of humour, and ultimately, of finding hope in the face of lifes challenges.
