

Too Close To The Sun: The Life and Times of Denys Finch Hatton

Conservationist, scholar, soldier, white hunter and fabled lover - Denys Finch Hatton was an aristocrat of leonine nonchalance. After a dazzling career at Eton and Oxford, he sailed in 1910 for British East Africa - still then the land of the pioneer. Sara Wheeler reveals the truth behind his love affairs with the glamorous aviatrix Beryl Markham, and - famously - with Karen Blixen, a romance immortalised in her memoir *Out of Africa*. No one who ever met him, his Times obituary concluded, whether man or woman, old or young, white or black, failed to come under his spell.
