

Smooth Operator: The True Story of Seductive Serial Killer Glen Rogers

He Made Them Feel Beautiful, Special and Adored...Tall, blond and strikingly handsome with penetrating icy green eyes, Glen Rogers could use his knee-weakening charm to entice lonely women out of romantically lit bars and into the night. Each one thought she had found the perfect man--until Roger got her alone and turned on her in a bloody rage that would end in her own violent death...Then He Led Them Like Lambs to the Slaughter...In all, four women would find out too late the deadly truth. For underneath his Prince Charming facade, Roger hid a twisted fury that could only be sated by strangling or stabbing beautiful, vulnerable women. Finally, after a gruesome six-week killing spree that shocked the nation and landed Rogers on the FBI's Ten Most Wanted list, he was caught in a grueling twenty-mile high-speed chase. Smooth Operator Here is the fascinating true story of one of the most notorious serial killers in history--a man who used his fatal charms to lure innocent women into a cruel date with destiny...By Clifford L. Linedecker, and with 8 pages of startling photographs.
