

Sophisticated Stays in Southeast asia

Smart & intelligent boutique hotels (and more) in Thailand, Vietnam, Laos, Cambodia, Indonesia, Malaysia, Singapore, Philippines and Myanmar A Journalistic and photographic presentation. There is the culture of luxury and the luxury of culture, a wise man once said. He was no hermit or philosopher, but the director (and a bit of a hermit and philosopher) of a hotel at the foot of the Himalayas (so not featured here). His aphorism is useful for understanding the spirit of this book: the luxury of culture. The hotels featured here are luxurious, at times extremely so. But luxury does not just mean excellence or exclusivity; it can also describe a place that enables us to live in the moment, to appreciate the natural and cultural space in which we find ourselves. They are places of eminent history, art or design because they are indicative of a trend. Unlike non-places, spaces devoid of identity, these are charged with meaning; they are remarkable spots on the Asian landscape, models of that architecture and life style that is redefining the Orient and spreading from there to the West. Intelligent places.
