

SPSS 17.0 Integrated Student Version

The SPSS software that we sell is created by a non-Pearson company called SPSS. Most publishers have licenses with SPSS to sell their student software at a discounted price. Students use this software to analyze data. SPSS 17.0 is available for both MAC and PC computers. The student version of SPSS runs for 13 months from the date that the student first installs the software on his/her computer. SPSS student software is \$18 when packaged with a Pearson Psych textbook.
