

Student DVD for Your Office: Microsoft Access 2010 Comprehensive

A media tool bound in your book to help you work through the Cases and see the relevance of the skills you learn to the real world includes the following: Skills Videos provide a step-by-step walkthrough similar to the Prepare Case in the Workshop, providing you with a refresher on how to complete each step. Real World Interview Videos feature real business professionals discussing how they actually use Microsoft Office or similar tools to be productive in their daily work. Interviewees come from many different industries and provide relevance to what you learn in this class. All Student Data Files that are needed to complete the cases in the book.
