

Suspicious Minds Scorpion Fire: 50 years on John F. Kennedy assassination fits the Scorpion Rituals (The Kings Cross Sting Book 17)

Scorpion Rituals we were hunting on the ground in Kings Cross, 50 years on the assassination of President John F. Kennedy was connecting. We had to push further with our heads down researching the connections to the alleged Outlaw gang around the world connecting time and time again to the Rebellion Angels. The Tarot told us, in 2014 we will be raising a Soul. Its the connections with Nostradamus we were exposing the Hooked X map for the alleged drug bust to pull this gang apart just like it said in the Bible. Nostradamus declared they would be a Wreck and be after the Stone. We pushed further to expose this game they play of murder for the Golden Scorpion. We were searching for the Kings Cross Currency and in fact uncovered the rituals within the assassination of President John F. Kennedy, Robert F. Kennedy, President Abraham Lincoln and the tarot was showing us the way all the time since 2009 that fateful night Friday 13th. We are raising a Soul, it takes more than two people we are working on the Red Scorpion army forming on the ground in Woolloomooloo to expose the mystic criminal activity and bring about the Bohemian Storm.
