

The Essential Kirby Canon: 20 Years of Shooting from the Hip at the Salt Lake Tribune (The Mormon Humor Collection) (Volume 6)

Feeling lost in a confused and hostile world? Sad ... hopeless ... desperate? Hungry for words of comfort to feed the weary soul? Heck, so are we! We cant promise the answer to all of lifes problems (though quit whining is a much under-appreciated piece of ageless wisdom), but cough up ten bucks and youll get the best of The Salt Lake Tribunes award-winning humor columnist Robert Kirby (with a cover illustration by Tribune cartoonist Pat Bagley. The newest book from Robert Kirby is as funny and thought-provoking as his last five humor titles; but maybe its even more important because he allows himself to be serious at times. Sobering moments of truth mixed in with his off-kilter humor make this a book that should be read and appreciated by every Utahn, Mormon or not, and every Mormon, Utahn or not. Kirby is a keen observer of Utah and Mormon Culture, he is never shy about pointing out, in the funniest ways, our flaws, foibles and weaknesses as well as our strengths.
