

Talking2Trees: & Other True Transdimensional Tales

Talking2Trees offers a series of enchanted biographical essays that spill the secrets of unexpected encounters with plants, animals, humans, and of course, trees. In settings as primal as a wind-tossed tree house with coyotes dancing on the roof and as thrilling as a dark Victorian mansion full of half-wild adults playing hide and seek, these stories will refuel your sense of joyful wonder and leave you speechless, and smiling. What readers are saying: be prepared for a mental shifting in your perceptions of reality. These are stories to savor and reread. They hold lessons on slowing down, paying attention and appreciating the amazing wonder of the world. you'll find yourself saying, Holy cow! What just happened? Monica Rix Paxson pays attention to what goes on just beneath the first dimension. This is a fascinating book. the meaningful coincidence, a feeling of interconnectedness, or a sense that destiny is playing a hand. But Talking2Trees is much more A remarkable book. Talking2Trees lives in a forest we have all walked magical, scary, and filled with joys and wonders that somehow all connect. From the cover of this book, to the last page, Monica Rix Paxson shows her ability as a witty and provocative writer. Tales that stimulate a reader to use their imagination creatively is story-telling par-excellence. I know of no better reason than this to recommend reading Talking2Trees.
