Despite considerable press coverage and a lengthy trial, the full story of the Fundamentalist Church of Latter Day Saints has remained largely untold. Only one man can reveal the whole, astounding truth: Sam Brower, the private investigator who devoted years of his life to breaking open the secret practices of the FLDS and bringing Warren Jeffs and his inner circle to justice. In *Prophets Prey*, Brower implicates Jeff in his own words, bringing to light the contents of Jeff's personal priesthood journal, discovered in a hidden underground vault, and revealing to readers the shocking inside world of FLDS members, whose trust he earned and who showed him the staggering truth of their lives. *Prophets Prey* offers the gripping, behind-the-scenes account of a bizarre world from the only man who knows the full story.
