

Why a Rooster Just Might Make More Sense Than a Politician.

This here is the Old Rooster, me n Henriette, well we think that just cause there might be a difference, tween the urban n rural life-style dont mean that people dont want the same things. We figure all you folks wants edgeducation fer yur kids; you want to do stuff with yur property that you see fit to be doin; n we figure you all dont want to be shafted by the tax-man. That there is the common ground everybodys got with their rural n urban neighbor. N jest bout everybody wants is to be left in peace to enjoy what they own. Both Urban and Country folks, is as fed up with them government inspectors, n them government enforcement genie-uses; them building inspectors; them planners; them permits n licenses, n the list goes on n on. Wes heard all you folks is fed up with all them taxes yous havin to pay; n yous just plain fed up with them poly-ticians promisin the moon.

So we is hopin that this here book will splain some of our views on them issues. Henrietta n me, well we is hopin you enjoy this n maybe some of them poly-ticin animals should be readin it too. Just sos they knows what folks is sayin.
