

The Captains Quest

This eBook is a seamans sampler for those of you who want to wade into cruising before you dive right in! Eight stories one each from The Captains Log and The Captains Journal and six new ones. Get your feet wet with these, then join the thousands of readers who have enjoyed the other books. True stories about real people, often funny and exciting and sometimes moving. From finding a starving stowaway destined for greatness to fishing expeditions gone wrong in Alaska. If you want to read more about the Captain and his motley crew, here it is.
