

## The Unofficial Must Have Guide to Navigate Walt Disney World

A must have book for anyone who is thinking about or planning a trip to Walt Disney World. The author is a frequent visitor to Walt Disney World and has written a concise and easy-to-read guide. The author starts with an overview of the world famous vacation destination. He covers where to stay when you're there and tips when making reservations at a Disney World resort. The book goes into ideas about where to eat with restaurant descriptions. The guide offers a multitude of tips and tricks to navigate and enjoy all the attractions in the theme parks. There are theme park attraction descriptions and the book breaks down what attractions and rides are best for all different age groups. Other topics with tips include: Disney World transportation, traveling with a baby or toddler, FASTPASS, and what to do when you're not going into a theme park. The book will also answer questions such as: How can I get a reservation at Cinderella's Royal Table? What are the advantages to staying on Walt Disney World property? Where can I go to get out of the heat? How tall do you have to be to go on Space Mountain? Where should I sit on Splash Mountain? Can I stay dry on Kali River Rapids? and many, many more.
