

The Buzzards Are Circling, But...: Gods Not Finished with Me Yet

On the landscape of life, buzzards are inevitable; those events and situations that circle us, eyeing us as prey. No matter what form these buzzards take, the pain is universal. Here Toler takes a lighthearted look at some of life's more serious subjects. Drawing from his own personal struggles, Toler shares encouragement for tough times. This delightful collection of stories and life lessons will help readers find hope, joy, and peace, even in life's difficult moments.
