

The Daily Almanac of Videogame History

Do you know when the first Pac-Man machine was released? Or do you remember the time World of Warcraft accidentally got corrupted blood? Which state was forced to pay the videogame industrys legal fees? The answer to all these and more can be found in The Daily Almanac of Videogame History. 366 facts and no filler! Packed with one fun, unusual, or historic fact for each day of the year (plus Leap Day for good measure!), The Daily Almanac of Videogame History is a videogame-themed walk through the days of the year that is meticulously researched and thoroughly cited.
