

# The Customer Is Always Wrong: Funny Stories and Tales of Horror From My Life In the Food Service Industry

This book is proof that most people don't know how to act in public. If you have ever worked in the food service industry you will identify with most or all of these stories. If you have not worked in the food service industry then you might realize that the moron I am writing about is actually you. These are all real stories and they will sound familiar to both groups of people.
