

## Saying Goodbye to the Girls: A Light Look at the Dark Side of Cancer

Diagnosed with stage 3 breast cancer at age fifty and in the midst of a dynamic, happy life, Kim Wagner navigated the darkness of the journey with the support of family, friends, and her Christian faith. In *Saying Goodbye to the Girls*, she shines light even on the darkest aspects of breast cancer—the initial biopsy and diagnosis, surgery, and treatment—because, despite it all, Kim believes that the message she is meant to share is that of JOY!
