

The Dragon of Wantley

The unabridged classic on MP3 audio, narrated by Alfred von Lector. Three playback speeds on one disk; etext edition included. Running time: 3.9 hours (slow), 3.5 hours (medium), 3.2 hours (fast). Taking off from the well-known 17th-century satirical verses about a dragon and a brave knight (itself a parody of medieval romances), this comic burlesque, concerning the true story of the Dragon, is set at Christmastime in the early 13th century. A surprise success, going through four editions over the ten years after its publication in 1892. By the famed author of *The Virginian*.
