

## On the Edge of Nowhere

His father is a white trapper, his mother an Athabascan Indian who walks a thousand miles in winter to reunite with her family. Thus, Jimmy Huntington learns early how to survive on the land. Huntington is only seven when his mother dies, and he must care for his younger siblings. A courageous and inspiring man, Huntington hunts wolves, fights bears, survives close calls too numerous to mention, and becomes a championship sled-dog racer.
