

# The Fingerless Lady Living in My Head: One Guys Musings About Tolerance

In this visit to Don Evertss head, youll meet The Dirty Beggar. Hes hunched over, with bloodshot eyes and dressed in a dark, baggy robe. Hes usually silent, sulking in a corner, but sometimes, late at night, he whispers in a hoarse, raspy voice. And nobody wants to hear the stories he tells, stories of evil and wrath and judgment. Relax--Stuff Happens thinks that the Beggar is bent out of shape over nothing. Middle Class Spirituality cant bear the Beggars intolerance. And Truth Is Relative dismisses the Beggars absolutism. But regardless of what they think, the other ideas cant escape being confronted by the Beggar. The Dirty Beggar is one of the most unpleasant, uncomfortable folks ever to visit your head. But he sticks around and haunts you. Find out why.
