

# The History of Johnny Qu? Genus : The Little Foundling of the Late Doctor Syntax. A Poem by the Author of the Three Tours.

JOHNNY QU? GENUS! what a name  
To offer to the voice of Fame!  
(Though she tis hopd may condescend  
To act as Little Johnnys friend)  
This may be said, when first the eye  
Does, by a careless glance,  
descry The striking range of marshalld  
words Which a gay TITLE-PAGE  
affords. But whats a name, as  
SHAKESPEARE says, It neither gives nor  
lessens praise; Adds no fresh odour to the  
rose, Nor any other flower that  
blows: Whether with rare or common  
name The fragrance will be just the  
same. Tis not a title can confer  
The good or ill of character,  
HOWARDS have been both beat and bangd,  
And some with ancient names  
been hangd: 2 Look at a ship with  
convicts stord What noble names  
are oft on board! It is the living,  
current course Or of the better  
or the worse, That stamps,  
whateer may be the name, Or with  
a good or evil fame. But howsoeer  
the thing we view Our little  
Johnnys titles new: Or for the  
child or for the man, In an old  
phrase, tis spick and span.  
Besides, as most folk do agree  
To find a charm in novelty,  
Tis the first time that Grammar  
rule Which makes boys tremble  
when at school Did with the  
name an union crave Which at  
the font a sponsor gave. But  
whether twas in humrous mood  
Or by some classic whim pursued,  
Or as, in Etons Grammar known,  
It bore relation to his own,  
Syntax, it was at Whitsuntide,  
And a short time before he died,  
In pleasant humour, after  
dinner, Surnamd, in wine,  
the little sinner. And thus,  
amid the tables roar, Gave  
him from good, old Lillys store,  
A name which none eer had  
before. } Squire Worthy, who,  
perchance was there Promisd  
the Doctors wish to share,  
That want, at least might not  
annoy The progress of the  
Foundling Boy. Syntax, He said,  
Well try between us To make  
the fortune of QU? GENUS:  
You feed his mind with learnings  
food, And Ill protect him if  
hes good. 3 While I, said  
smiling Dickey Bend, Will

add my mite as Johnnys friend;Nor shall he  
want the scraps of knowledgeWhich he can  
pick up at my College.Thus, as they did the  
bumper plyTo Johnnys future destiny,  
The warm, almost parental heartOf Mrs. Syntax  
bore its part;And her cheek wore a smile of  
joyAs she beheld th unconscious boy,Who,  
careless of the kind debate,Playd with the  
cherries on his plate. The History of  
Johnny Qu? Genus : The Little Foundling  
of the Late Doctor Syntax. A Poem by the  
Author of the Three Tours, Conflict with  
Lawyer Gripe-all, With a Quack Doctor,  
With a Spendthrift, With Creditors,  
Officiating at a Gaming Table, In the  
Sports of the Kitchen
