

The Kindest People Who Do Good Deeds: Volume 1

The doing of good deeds is important. As a free person, you can choose to live your life as a good person or as a bad person. To be a good person, do good deeds. To be a bad person, do bad deeds. If you do good deeds, you will become good. If you do bad deeds, you will become bad. To become the person you want to be, act as if you already are that kind of person. Each of us chooses what kind of person we will become. To become a hero, do the things a hero does. To become a coward, do the things a coward does. The opportunity to take action to become the kind of person you want to be is yours. This book collects 250 stories of good deeds from the arts, from religion, and from life.
