

Scammers: Fraudsters

If i were to write here the whole modus operandi of them, this would be the longest book in the world, but as everyone knows, the SCAMMERS are a blight on the world, the purpose of scammers, are only just collect money from innocents, or even the people eager to earn easy money, then the modus operandi of them is basically awaken in the mind of the individuals will to make easy money, and so end up becoming actual victims of scammers, in this book we give the modus operandi since there are plenty of ways that they use to extort money from eagers to make easy money and also extort or from even good-hearted people because they often come with a sad story, about relatives and situations to arouse the pity of those who really want to help someone in need on the other side the world, and they insist with such vehemence to that people who receive such emails that have no idea that everything is really only to extort money and thus being the victim so to speak, does not know the truth, and the truth is what they say, riding in your emails, letters, forging all kinds of situations as we see below, which unfortunately leads to pure and only take money, whether any amount of people from all over the world. Are true villains, and believe me, they are very dangerous and they can send someone to the address of the person if any, if they got it, so they insist up to exhaustion, thereby causing the person to finish falling in conversation, telephone calls to the victim if pass the number, and they still cry, depending on its stories because the goal is to really get the money from the person who often can present every kind of imaginable business to achieve their goal, they are a cancer in the world.
