

The Man Who Shit Himself An Egg, And 32 Other Stupid Stories For 299 Cents

You may be an adult--and I know you are--because this book is for ADULTS ONLY! And what is this book of very short stories about? Some of the wildest TRUE crime stories youve ever read! Whats really wild about these stories is that most describe real people doing screamingly funny dirty deeds who actually get AWAY WITH IT! and the rest? Theyre also TRUE crime stories but the difference lies in the hilarious way they got busted, or laid in the ground! Thats right! The real people you are about to read about either got lucky or got fucked! Some did both! Do you want to know how a man was able to generate is own real money without getting busted for counterfeiting? Have you ever wondered what REALLY HAPPENS to the thousands of missing children and woman who seem to just vanish into thin air in Canada and the U.S.A. every single year? And speaking of vanishing, youll find out how real people living today, right now, have made old age disappear and discovered the secret to immortality. A one page story will tell you how! People have heard of men dying happy even though they were criminally insane, but have you ever heard of someone making a successful living off of the most depraved crimes humanly possible and still dying happy? You will in, The Man In Question! You even get to meet Canadas first, First Nations Chief who stood up to Albert Big Oil and wonand how he did it with a trick so clever, and hiding in plain sight--that it should be illegal--but you can use it to your advantage for yourself! Did you ever stop to wonder what was going through the minds of the people as they jumped to their deaths after the terrorist attack on the World Trade Center? You wont have to wonder anymore, because you are about to meet the one man who jumped, but lived to tell about it! Discover why you cant fuck yourself and fuck someone else, but when

you fuck someone, you fuck yourself!
Meet Walter, and see how he was able to rob 34 for banks in 3 weeks in Toronto, in 2012 and get away with it! You will learn why electronic cigarettes are just as dangerous as the real ones! This tiny little book is jam-packed with 33 of the wickedest true crime stories mixed with a little bit of the super-natural. They are so powerful, they will have you laughing and crying at the same time! And Im not joking! These tiny stories are so powerful, they are only a page long but you may only be able to read one at time, because theyll leave you with tears in your eyes, wondering in shock and awe! If you dont believe me, read them right now while theyre still selling for cheaper than a bowl of your favourite Won-Ton soup! Grab them today! Before someone grabs you!
