

Architecture, Seriously

Architects are forever designing our material world, the greater challenge may be to shape the space within ones self, as Archibald does, in Architecture, Seriously. What started out as a couple of funny sketches about soccer playing architects has evolved into a humorous cartoon on architecture. Architecture, Seriously is a way to exercise the profession of architect as the author has always wanted it: with a sense of humor.

An Early Encounter with Tomorrow: Europeans, Chicagos Loop, and - Google Books Result A Contextual Review of Casino Resort Architecture Karin Jaschke, Silke Otsch it aims to take the phenomenon of Las Vegas resort architecture seriously, and **none** La Concha Resort, seriously this place is beautiful, the architecture and design of the place is - Picture of La Concha Renaissance San Juan Resort, San Juan. **The Swedish Royal Institute of Architecture.
