

The Unofficial Guide to New England and New York with Kids (Unofficial Guides)

The Unofficial Guide to New England & New York with Kids is packed with information and tips for planning a New England or New York vacation that everyone in the family, from tots to parents, is sure to enjoy. Author Laurie Bain Wilson, who has taken countless trips to New England and New York with her ten-year-old son, has rated and ranked all of the best attractions in the area according to age group. You'll find complete coverage of New England's natural attractions, along with the best outdoor adventures for families, from learning to ski in Maine to canoeing on Lake Umbagog, a National Wildlife Refuge, in New Hampshire. Wilson has also ferreted out the best kid-friendly and kid-favored restaurants and accommodations, with choices like Papas Pizza on Cape Cod, where a pizza and mozzarella stick lunch by the sea costs about \$5, and the Mystic Marriott Hotel and Spa in Mystic, Connecticut, which offers a kids-stay-free promotion. With maps, tips on how to keep kids happy on vacation, and a list of what to take, the Unofficial Guide to New England & New York with Kids is the only guide you'll need to plan a perfect family vacation in New England and New York.
