

## The Virgin Internet Shopping Guide: Version 1.0

This book has the Internet's best buys at your fingertips. Global shopping and Internet auctions have arrived - but to take advantage of them, you need to know who to trust and where to go. You can now buy almost anything on the Internet, and this book shows you how. It features the best shopping and auction websites. In addition it includes information about security and your rights, how to buy just about anything, saving a fortune and how to solve problems-fast.
