

The Wrong Side

The Wrong Side is a story about a Drug Enforcement Agency (DEA) raid on a legal, medical marijuana grow in San Diego, California. Beginning at the moment they knocked down the front door with a battering ram, it reveals everything that went down from a neighbors initial lie and sinister motive, to the local and federal governments gossip train and spying on my Facebook account and home, to the coordinated and subsequent burglary while I was in jail. This book articulates everything I went through from March 10, 2011 until October 18, 2011.
