

Tillamook Light : A True Narrative of Oregon's Tillamook Rock Lighthouse

The lighthouse keeper has gone the way of the iceman and blacksmith, but in the case of Tillamook Rock Lighthouse, the story remains--a complete history of :Terrible Tilly,: seasoned with salty drama and some hilarious adventure. Gibbs, a former Coastguardsman stationed at the infamous rock off Oregon's northwest shores, knows that wild crag from the inside out, and he has supplemented his account with what happened before he arrived on the scene, and since closure of the light in 1957. Many fine photos keep pace with the action. 145 pages.
