

Printer Troubleshooting Pocket Reference

The go-anywhere, does-everything guide to diagnosing and fixing printers. > From the #1 author in PC hardware comes a much-needed, long-awaited guide to troubleshooting ink-jet, impact, and laser printers. Stephen Bigelows Bigelows Printer Troubleshooting Pocket Reference delivers a concise, no-frills approach to diagnostics and repair that lets you quickly spot and fix the problems that typically afflict printers and save money, too. You get clear, step-by-step directions for installation, connections and configurations, plus troubleshooting advice on correcting typical hardware conflicts, annotated listings of common printer error codes and messages, a Web address directory of printer manufacturers, and more. Best of all, its compact, go-anywhere size makes it the perfect companion both on your desk or in your toolbox.
