

## Limericks Illustrated

It has been called a miracle cure, a magic elixir, a safe haven; of course, laughter, as an expression of joy in the moment is any and all of these things. And that was my intention in writing this book. Each limerick represents a snippet of time, a quirky piece of cartoonish wisdom to be mulled over, savoured, and enjoyed. Perhaps, if you're not too careful, a chuckle or two will follow. In doing so, it is my hope that, however brief, your day is brighter.
