

West of the Moon: A Border Patrol Agents Tale

West of the Moon is a recounting of D.B. Prehoda's early adventures as a Border Patrol Agent stationed on the southwest border of the United States, separating Texas from Mexico. Drawing on his experiences at the Border Patrol Academy in Brunswick, Georgia, at his home station in Sanderson, Texas, and during nights spent in the desert as a member of an elite, narcotics interdiction team, D.B. Prehoda weaves a lighthearted tale of a budding civil service career with somber chapters dedicated to the tracking and apprehension of a murder suspect, and the rescue of lost souls.
