

## Walter Dandy: The Personal Side of a Premier Neurosurgeon

Walter Dandy: The Personal Side of a Premier Neurosurgeon, examines the personal and private qualities of Walter Dandy, a giant figure in the world of neurosurgery. The book was carefully compiled by Mary Ellen Marmaduke, Dr. Dandys daughter, with the help of Drs. Issam Awad and Edward Laws. This unique monograph will help enlighten future scholars about the personal and human qualities that made Walter Dandy a renowned leader in his field.
