

## Kylie Fashion

Besides being a award-winning musical hit-maker, Kylie Minogue is a true fashion icon whose daring and love of self-reinvention have kept her current twenty-five years into her career. In *Kylie Fashion*, the star herself presents the first ever showcase of her phenomenal fashion history with the most iconic designers in the world. This feast of fashion includes an Introduction by the legendary Jean-Paul Gaultier and commentary from the likes of Dolce & Gabbana and Karl Lagerfeld. Packed with awe-inspiring images including the very best rare and unseen archival photography, video outtakes, fashion sketches, red carpet shots, and ephemera from Kylies archives, this book captures the cultural icon, trendsetter, and *Vogue* cover girl in all her guises.
