

I Think I Scared Her: Growing Up With Psychosis: Growing Up With Psychosis

I Think I Scared Her: Growing Up With Psychosis is a true story of a girl who has a giant secret. The secret is that she hears voices, sees people chasing her with weapons, believes that a conspiracy is trying to kill her, and often times loses touch with reality. It is not until she gives in to the demands of the command hallucinations and tries to kill herself in 1997 that people are able to help her. This book tells the story of what it is like to grow up with psychosis.
