

When Nashville Bled: The untold stories of serial killer Paul Dennis Reid

He was evil personified. In the Spring of 1997, a serial killer held Nashville, Tennessee in an icy grip of terror. In February, he murdered two employees at a Captain D's restaurant. In March, he struck a McDonald's just miles away, killing three people and maiming one. In April, he kidnapped and slaughtered two Baskin-Robbins employees. They called him The Fast Food Killer but his real name is Paul Dennis Reid, Jr. When he was caught and sentenced to seven death sentences, yet a new chapter began in the saga of one of the most heinous serial killers in our time, and the people whose lives he cut short. The victims were reduced to being called the victims of Paul Reid. Until now. Here, for the first time, and with the approval of the family and friends, are the stories of those innocent, young people whose lives were ended far too soon. It is also the story of how a crime ripped a city apart.
