

## Where in the World?: A Brain-Quizzing Tour Through Walt Disney World

Test Your Walt Disney World IQ! Eighth-grader (yes, eighth-grader) Matthew Creed has visited Walt Disney World dozens of times, and his favorite experience isn't a ride or a show, it's the details embedded throughout the parks. His book of quizzes challenges you to find what most guests overlook. The 550 quiz questions in this book span the parks, resorts, and restaurants of Disney World. Each one starts with Where in the World... and then gives you just enough of a clue to figure out the answer maybe. Although Where in the World? is for all ages, kids, in particular, will enjoy learning more about the most magical place on earth in a fun way, as the answer to each question is packed with trivia! WHERE is Brer Rabbit holding a white polka-dot sack on a stick while looking out of an outpost window? WHERE is there an oil pit at the bottom of an elevator shaft, just in case of the worst possibility? WHERE can you see the shape of Mickey's head made out of nothing but lettuce and cabbage? WHERE IN THE WORLD IS DISNEY'S COOLEST NEW QUIZ BOOK? RIGHT HERE!
