

iPhone Fully Loaded (Iphone Fully Loaded: If Youve Got It, You Can Iphone It)

iPhone Fully Loaded is a one-of-a-kind reference that teaches you how to fully exploit the power of your Phone or iPod touch. Clear step-by-step instructions teach you how to convert any form of home, office, or online media -- dusty LPs, movies on DVD, spreadsheets, databases, presentations, downloadable books, comic books, as well as music and video to an iPhone or iPod Touch compatible format. Written by wildly popular technology expert and Chicago Sun Times columnist Andy Ihnatko, iPhone Fully Loaded is a full-color guide designed to work for both Mac OS X and Windows users. From uploading Web pages to downloading television shows and a variety of documents, including Microsoft Word, Excel, and PowerPoint documents, the iPhone does much more than make phone calls, play music, and send e-mail.
