

Setting Up & Running QuickBooks 2014: The Accountant's Guide for Business Owners

Combining detailed QuickBooks instructions with expert accounting advice, this manual is the key to smoothly navigating the QuickBooks program. More than just another how-to guide, it demonstrates not only the mechanics of QuickBooks features, but also the accounting principles behind them. In addition to providing step-by-step instructions and bookkeeping guidance, this book offers countless QuickBooks tips, tricks, and workarounds. Perfect for small businesses, home businesses, and startups with limited funds, this comprehensive yet accessible guide allows users to avoid inflated accountants fees by correctly utilizing the functions and features of QuickBooks.
