

## A Cornishman Goes Cruising

A Cornishmans fear of flying proved to be a blessing in disguise as it opened up the world of cruising. The reader will first be taken though the planning and preparation stages of a supposed one-off holiday of a lifetime, before travelling with the author on a magical adventure that changed his life. For those of you who have already sampled a cruise holiday, this will bring back memories of the life on board with all the choices available and the thrill of waking up to a new location each day. Perhaps you are considering a cruise? Then this book will give you a flavour of the delights that can be expected from a fortnights escape from normal everyday life. If you have never thought of going cruising then be very careful of reading this book in case it opens up your mind and turns you into one of the thousands of cruise addicts around the world.
