

Write On!: Business Writing Basics (Self-Counsel Business)

Impress clients, colleagues, and even the boss with superior business writing skills. Mastering the art of written communication is an important key to business success. A poorly written letter can embarrass an organization, but a professionally penned document will enhance the image of a company and the writer. This information-rich book offers tried-and-true techniques to help businesspeople become solid writers who make a good impression. It covers all the skills needed to write effectively. Includes: -- Changes to traditional business writing practices-- Writing with your reader in mind-- Adding personality to your writing-- Master professional letter writing-- Write memos that get read-- Take the stress out of report writing-- E-mail and fax etiquette
